Give a Little

HELP A LOT

At Jersey Central Power & Light (JCP&L), we understand the importance of helping customers during times of financial hardship. That's why we work with NJ SHARES to help our customers maintain utility service after all other assistance has been exhausted.

Please help us continue this valuable program.

If you want to contribute, select one of the options below. Your contribution is tax deductible.

- **Automatic monthly contributions** – Fill out and enclose this form with this month's payment. Starting next month, we'll add the designated amount to the total amount due on your electric bill. If you're already a contributor, your contribution will continue to be added to your total amount due. To change your contribution, check the new amount on this form and return it with your payment. You can cancel your contribution at any time by calling JCP&L at 800-662-3115.
