Akron, Ohio – Find out what goes on behind the scenes when you flip on a light switch or turn on your computer at a free Open House and Community Pride Day Saturday, July 11, from noon to 3 p.m., at FirstEnergy’s Ashtabula, Eastlake and West Lorain power plants. Visitors can tour the facilities and enjoy free hot dogs, popcorn, ice cream, funnel cakes, nachos and beverages.

Representatives from FirstEnergy Solutions (FES) will be there to assist residential customers of The Cleveland Electric Illuminating Company, Ohio Edison and Toledo Edison who elect to sign up for discounts on electric generation service. These customers can save 10 percent on their electric generation price for the remainder of 2009 and 5 percent through 2010. The first 300 to sign up at the event will receive a free FES stadium blanket. Open House guests can also enter a drawing to win a year of free electric generation service from FES. FirstEnergy employees are not eligible to win the drawing.

Kids can enjoy free activities including clowns and face painting. Those who attend also will receive an energy-efficient compact fluorescent light bulb. Supplies are limited, so come early.

At the Eastlake Plant, Majic 105.7 FM’s Chip Kullik will offer guests a chance to spin the Majic Money Wheel, and visitors can get their picture taken with Louie the Lightning Bug® and Sully the Seagull, the Lake Erie Monsters mascot.
