please pay the Amount Due by the Due Date.											

Mar 27 to Apr 25, 2012 for 30 days

Your next meter reading is scheduled for May 25, 2012.

For your safety, if your service has been disconnected, do not attempt to reconnect it. While this is illegal and could result in prosecution, removing a meter base or touching any of the wires can also cause death or serious injury through arcs of electricity, explosions or fire. Meters are only to be accessed by authorized utility personnel.

An important message to dog owners — to ensure that our meter readers' visits to your home are safe and productive, please keep your dog secured in an area away from the path to your meter.

All of our employees wear photo ID badges. Always ask for an employee's I.D. before letting anyone in your home. If you are still not sure, please call the company.

Your new, redesigned bill provides the information you need in a format that's easier to read and understand. For more information, please call 1-800-447-3333.

Explanation of Terms

Business Distribution Credit - Applied during the winter billing period for non-residential electric heat and/or water heating customers on a qualifying

Bypassable Generation and Transmission Related Component -Charges for purchasing power and delivering it through the transmission system. These charges are avoided when switching to a Certified Retail Flectric Service provider

Cost Recovery Charges - Charges to recover previously incurred costs. Customer Charge - Monthly charge that offsets costs for billing, meter reading, equipment, and service line maintenance.

Distribution Related Component - Charge for moving electricity over

distribution lines to a service location.

Economic Development Component - Charges related to economic development support.

Estimated Reading - On the months we do not read a meter, we calculate the bill based on past electrical usage.

Kilovolt Amperes (KVA) - Volts times amperes divided by 1,000. Actual

measured power used for circuit sizing.

Kilovolt-Amperes Reactive or kilovar (KVAR) - The portion of electricity that establishes and sustains the electric and magnetic fields of ac equipment. It is used to control voltage on the transmission network.

Kilowatt (KW) - Unit of electric power representing a rate of consumption

equivalent to 1,000 watts KWH (Kilowatt Hour) - A unit of measure for electricity usage equal to 1,000

watts used for one hour

Late Payment Charge - A charge added to the bill on balances owed after

School Distribution Credit - A distribution credit that replaces the former Energy for Education II Program.

Important Information

If you have billing questions or complaints about your Toledo Edison account or for a written explanation of the Price to Compare:

Call Customer Service at 1-800-447-3333 from Monday - Friday, 8:00 a.m. - 6:00 p.m.

at 1-800-995-0095 from Monday - Friday, 8:00 a.m. - 6:00 p.m.

Visit our web site at http://www.firstenergy.corp.com

Write to us at Toledo Edison, 76 S. Main St., A-RPC. Akron, OH 44308-1890.

For customers who have a hearing or speech impairment and use a text telephone, call the TTY (Teletype) at 1-800-750-0750.

We welcome the opportunity to work with you and will try to answer your questions. If your complaint is not resolved after you have called your electric utility, or for general utility information, residential and business customers may contact the public utilities commission of Ohio (PUCO) for assistance at 1-800-686-7826 (toll free) from eight a.m. to five p.m. weekdays, or at http://www.puco.ohio.gov. Hearing or speech impaired customers may contact the

PUCO via 7-1-1 (Ohio relay service).

For your protection, all of our employees wear Photo I.D. badges.

Electronic Check Conversion - Your check authorizes us either to make a one-time electronic funds transfer (EFT) from your account or process as a check. If you have questions about this program, or do not wish to participate, call 1-866-283-8081.
