Licensed Electric Generation Suppliers & Consultants

(July 2026)

To sell electric generation service in Pennsylvania, all electric power suppliers and aggregators must be certified by the Pennsylvania Public Utility Commission (PaPUC). They must also be registered with the local public utility to sell electric generation service in that utility's service area. Below is a list of suppliers who are certified with the PaPUC and are registered or are pending registration to sell electric generation service in the Pennsylvania Power Company service territories.

Contact the supplier directly to verify whether or not new customers are being accepted.
