

West Penn Power

Prices to Compare – effective September 1, 2022

Here are West Penn Power's prices to compare by rate class. Your rate class is on the upper right hand corner of your Usage Report. Use your figure to compare the prices offered by different electric generation suppliers. You will save money if you buy electricity from an electric generation supplier for less than your price to compare. The figures below reflect a State Tax Adjustment Surcharge (STAS) of 0.00% .

Rider H (Price-To-Compare)

Provides default service to the customer (see below by Rate Class)

Rate Classes

Residential (WP-RS10)

8.306 cents per kWh

General Service - Volunteer Fire and Non-profit (WP-GS10)

9.36 cents per kWh

Rider K

Offers Time of Use for Residential customers - Click the following link for information about Rider K
[WPP-Tariff-40-Supp-106](#)

Rider I

The charges billed under this rider are applicable to all Customers on Rate Schedules 30 (HP), 35, 40, 44 and who elect to take Default Service from the Company. These charges are also applicable to Customers on Rate Schedules 20, and 30 (PTC) on a voluntary basis who meet the metering requirements of this rider. Rates shall be billed under this rider upon electing Default Service. All Rate Schedules 20 and 30 (PTC) Customers electing service under this rider must have smart meter technology installed as part of the Company's smart meter plan filed with and approved by the Commission.
