***Re: Notice of continuation of Metropolitan Edison Company's Distribution System
Improvement Charge Rider, Docket No. M-2018-3002963***

Dear Secretary Chiavetta:

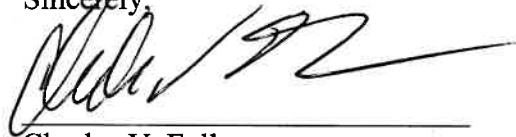

Enclosed for filing at the above-referenced docket is notice that the DSIC rate proposed to be effective July 1, 2018 will continue to be set at zero (0%) percent and there are no changes to the tariff. This filing is an update to include Schedule 1. The rate was reset when the Company's new base rates went into effect at Docket No. R-2016-2537349 on January 27, 2017.

To support the continuation of the DSIC rate set at zero (0%) percent, the following schedule is enclosed:

- Schedule 1 shows a comparison of actual DSIC-eligible plant as of May 31, 2018 vs. projected plant investment placed in service for the fully projected future test year claimed in the 2016 Base Rate Case.

If you have any questions regarding the enclosed documents, please feel free to contact the undersigned.

Sincerely,

Charles V. Fullem
Director of Rates & Regulatory Affairs-PA
