### **HOW TO USE LOOSE-LEAF TARIFF**

1. This Tariff is issued on the loose-leaf plan. Each page will be issued as “original page,” consecutively numbered, commencing with the title page, which in all cases will be considered as Page No. 1 for example: “Original Page No. 2,” “Original Page No. 3,” etc.
2. All changes in, additions to, or eliminations from, original pages, will be made by the issue of consecutively numbered supplements to this Tariff and by reprinting the page or pages affected by such change, addition, or elimination. Such supplements will indicate the changes which they effect and will carry a statement of the make-up of the Tariff, as revised. The Table of Contents will be reissued with each supplement.
3. When a page is reprinted the first time, it will be designated under the P.U.C. number as “First Revised Page No...,” the second time as “Second Revised Page No...,” etc. First revised pages will supersede original pages; second revised pages will supersede first revised pages, etc.
4. When changes or additions to be made require more space than is available, one or more pages will be added to the Tariff, to which the same number will be given with letter affix. For example, if changes were to be made in Original Page No. 2 and, to show the changed matter, more than one page should be required, the new page would be issued as “First Revised Page No. 2, superseding Original Page No. 2”; and the added page would be issued as “Original Page No. 2A.” If a second added page should be required, it would be issued as “Original Page No. 2B.” Subsequent reprints will be consecutively designated as “First Revised...,” “Second Revised...,” etc.
5. On receipt of a revised page it will be placed in the Tariff immediately following the page which it supersedes, and the page which is to be superseded thereby plainly marked “See following page for pending revision.” On the date when such revised page becomes effective, the page superseded should be removed from the Tariff.
