PotomacEdison™
A FirstEnergy Company

Licensed Electric Generation Suppliers & Consultants

(June 2026)

To sell electric generation service in Maryland, all electric power suppliers and aggregators must be certified by the Maryland Public Service Commission (MdPSC). They must also be registered with the local public utility to sell electric generation service in that utility's service area. Below is a list of suppliers who are certified with the MdPSC and are registered or are pending registration to sell electric generation service in the Potomac Edison service territories.

Contact the supplier directly to verify whether or not new customers are being accepted.
