**RE: Case No. 9478 - Potomac Edison's Revisions to its Multi-Family  
Home Electric Vehicle Charger Service Rate Schedule**

Dear Secretary Johnston:

Enclosed for filing pursuant to the current filing procedures of the Maryland Public Service Commission ("Commission"), please find the clean and red-lined versions of Page No. 6-2 to The Potomac Edison Company's ("Company") Maryland Tariff, Electric P.S.C. Md. No. 54. This revised tariff page updates the electric supply rates for the Multi-Family Home Electric Charger Service Rate Schedule effective for service rendered on and after June 1, 2026.

The rates are consistent with those proposed in the Company's Residential Retail Tariff Filing for Bid Results Approved by the Commission filed today in maillog no.326313.

The Residential SOS electric supply rate changes reflect the results of the bidding conducted through January 12, 2026 and approved by the Commission.

Respectfully submitted,

A handwritten signature in black ink, appearing to read "Jessica M. Raba".

Jessica M. Raba  
Counsel for The Potomac Edison Company
