IMPACTED BY THE CRISIS? HELP IS AVAILABLE!

During these difficult times, we understand you may need assistance to pay your utility bills. We have suspended non-payment terminations of service, but you may still receive a notice if your account is past-due. These notices both keep you informed of your account's status and may be required as documentation if you apply for certain types of assistance.

THE PENNSYLVANIA CUSTOMER ASSISTANCE PROGRAM (PCAP)

The Pennsylvania Customer Assistance Program (PCAP) is designed to help income-qualified residential customers maintain electric service by reducing monthly bills and/or eliminating past-due balances.
