DOLLAR ENERGY FUND

WILL YOU HELP?

A Small Donation Can Make a Big Difference.

Met-Ed®
A FirstEnergy Company

For more than 40 years, the Dollar Energy Fund has been helping needy families pay their winter heating bills. Without the support of this crucial organization, some families would have to choose between heating their homes and other vital necessities.

Met-Ed is proud to partner with the Dollar Energy Fund to help families who need a hand paying their utility bills. We hope that you will consider making a pledge to the Dollar Energy Fund.

What is the Dollar Energy Fund?

The Dollar Energy Fund is an independent, nonprofit organization whose mission is to help families pay their utility bills. Families must meet income eligibility guidelines, and they must have made a sincere effort to make a utility bill payment in the last 90 days.

Give 'til it helps

Pledge $1 or more each month to the Dollar Energy Fund and Met-Ed will match your pledge, dollar-for-dollar, doubling your gift and its impact.

Your contribution is tax-deductible, and every dollar contributed to the Dollar Energy Fund goes directly to the people who need it to pay utility bills.

Met-Ed will match customer pledges – up to established guidelines – for customers in the areas we serve.

How can I give?

To make your pledge, simply fill out the form on the back and mail to **FirstEnergy Human Services, 5001 Nasa Blvd., Fairmont, WV 26554.**

You can cancel your contribution at any time by submitting your request through our website at **firstenergycorp.com/corporate/contact_us** or by calling Met-Ed at **800-545-7741.**

What if I need assistance?

If you or someone you know is in need of assistance to help pay a utility bill, visit **firstenergycorp.com/billassist** and click on **"Search Assistance Programs."** This page will populate information about various programs that you may be eligible for based on where you live, the number of people in your household and your income.
