Did you place the correct agency address on the front of the envelope?

**Helping to
keep families
warm
this winter.**

Winter is a difficult time of year for many families who have trouble paying utility bills. Without assistance, they may have to choose between heating and other vital necessities.

You can help them with a contribution to The Community Energy Fund. Our shareholders will increase the value of your contribution by matching 50 cents for each dollar donated (up to the program limits) to help pay electric bills. To ensure matching funds, please return your tax-deductible contribution in this envelope.

Your gift will help to warm the hearts and homes of needy families this winter.
