

## Kickstart Your Winter Savings with a Home Energy Audit

If you're looking to save energy and money in your home, the easiest place to start is with **JCP&L's Home Performance with ENERGY STAR® Program**. Schedule your home energy audit and a specially trained Participating Contractor will come to your home and provide:

- A comprehensive Home Energy Audit
- Energy-efficient recommended improvements and available rebates
- A detailed report on the potential energy savings

Once the audit is completed, you may qualify for rebates up to **\$5,000\***

For more information or to schedule your assessment, visit [energysaveNJ.com/home-performance](https://energysaveNJ.com/home-performance).

Costs of these programs may be recovered through customer rates in accordance with New Jersey law. For a complete list of commercial, industrial, residential, and low-income energy efficiency programs, please visit [energysaveNJ.com](https://energysaveNJ.com). By participating in the Company's energy efficiency and peak demand reduction programs, customers agree their electric utility will maintain ownership of all Capacity Rights from electric savings measures, which refers to the demand reduction associated with any energy efficiency or peak demand reduction measures for which incentives were provided by the Company.
