March into energy efficiency

Advanced Power Strips:
\$10.95+

Stop electronics and appliances from drawing energy when not in use with advanced power strips.

Air Purifiers:
\$64+

Remove dust and pollen with an ENERGY STAR® certified air purifier, which can save you up to \$120 over its lifetime!

LED Bulbs:
\$3.40+

Light up your home with ENERGY STAR® certified LED bulbs, which consume up to 90% less energy and last 15 times longer than traditional bulbs.

Smart Thermostats:
\$29+

Discover the control and convenience of an ENERGY STAR® certified thermostat that can save the average home 8% on energy costs!

While supplies last. Customers are responsible for all applicable sales tax. Terms and conditions apply. Limit two (2) smart thermostats per electric account. Limit twenty-five (25) total LEDs (not packs) per electric account. Limit five (5) power strips per electric account.

Costs of these programs may be recovered through customer rates in accordance with New Jersey law. For a complete list of commercial, industrial, residential and low-income energy efficiency programs, please visit energysaveNJ.com.

By participating in energy efficiency and peak demand reduction programs, customers agree their electric utility will maintain ownership of all Capacity Rights from electric savings measures, which refers to the demand reduction associated with any energy efficiency or peak demand reduction measures for which incentives were provided by the Company.
