Spring into energy savings

Welcome spring by bringing home energy-saving products that can have a positive impact on your budget. JCP&L offers incentives on energy-efficient products, appliances and more to help reduce your energy use and bills. Here are some of our favorites to try this month:

ENERGY STAR® Certified Smart Thermostats

Stay connected to your home with up to \$100 off smart thermostats!

ENERGY STAR® Certified LED Bulbs

Light up your home with long-lasting LED bulbs for as low as \$3.40!

ENERGY STAR® Certified Air Purifiers

Save \$50 on air purifiers, which refresh stale air and improve sleep.

To start shopping, go to marketplace.energysaveNJ.com/EarthDay2023

While supplies last. The discount will be automatically applied at checkout. Customers are responsible for all applicable sales tax. Terms and conditions apply. Limit two (2) smart thermostats per electric account. Limit 25 total LEDs (not packs) per electric account. Limit five (5) power strips per electric account.

Costs of these programs may be recovered through customer rates in accordance with New Jersey law. For a complete list of commercial, industrial, residential and low-income energy efficiency programs, please visit energysaveNJ.com.

By participating in the Company's energy efficiency and peak demand reduction programs, customers agree their electric utility will maintain ownership of all Capacity Rights from electric savings measures, which refers to the demand reduction associated with any energy efficiency or peak demand reduction measures for which incentives were provided by the Company.
