Stay Cool with Summer Savings

Welcome summer by bringing home cool, energy-saving products. Here are some of our favorites to try this month.

ENERGY STAR[®] Certified Central Air Conditioners

They use around 8% less energy than traditional ones and have rebates of up to \$250.*

ENERGY STAR[®] Certified Room Air Conditioners

They use 9% less energy than standard ones.* Get your rebate today!

Rebates are available to residential customers of FirstEnergy's Pennsylvania utilities on qualified products and services purchased between June 1, 2021, and May 31, 2026. Other terms and conditions apply. See energysavePA.com/rebates for details. The costs of energy efficiency programs are recovered through customer rates in accordance with PA Act

129 of 2008. For a complete list of commercial, industrial, residential, and low-income energy efficiency programs, please visit energysavePA.com. By participating in these energy efficiency and peak demand reduction programs, customers agree to allow their utility to retain ownership of all Capacity Rights which refers to the demand reduction associated with any energy efficiency and peak demand reduction

measure for which incentives were provided by the Company. FirstEnergy's Pennsylvania utilities their parents, subsidiaries, employees, affiliates and agents assume no responsibility for the performance of the equipment or equipment warranty, the quality of the work, labor and/or materials supplied, and/or the acts or omissions of any contractor.
