*energystar.gov Discounts are available to Maryland residential customers of Potomac Edison on qualified products purchased between January 1, 2021 and December 31, 2023. Additional terms and conditions apply. See energysaveMD-home.com for details. EmPOWER Maryland programs are funded by a charge on your energy bill. EmPOWER programs can help you reduce your energy consumption and save you money. To learn more about EmPOWER and how you can participate, go to energysaveMD.com. By participating in energy efficiency and peak demand reduction programs, customers agree to allow their utility to retain ownership of all Capacity Rights which refers to the demand reduction associated with any energy efficiency or peak demand reduction measure for which incentives were provided by the Company. Potomac Edison, their parents, subsidiaries, employees, affiliates and agents assume no responsibility for the performance of the equipment or equipment warranty, the quality of the work, labor and/or materials supplied, and/or the acts or omissions of any contractor. To be eligible for water heater insulation, must be an electric water heater without previously installed pipe insulation. Rebate amount is based on the predicted energy savings for selected energy efficiency home improvements (maximum of \$7,500 per home).
