A FirstEnergy Company

Our marketplace has ways to save.

Check out the great deals on quality energy-saving products!

Visit marketplace.energysavenj.com/Fall2023 to start shopping.

Bring on the energy savings

Advanced Power Strips

Eliminate phantom power use with smart power strips that automatically cut off power to energy-draining appliances.

Smart Thermostats

Discover the control and convenience of an ENERGY STAR® certified thermostat that can save the average home 8% on energy costs!

Air Purifiers

Remove dust and pollen from the air with an ENERGY STAR® certified air purifier, which can save you up to \$120 over its lifetime!

To start saving, go to marketplace.energysavenj.com/Fall2023

While supplies last. Customers are responsible for all applicable sales tax. Terms and conditions apply. Limit two (2) smart thermostats per electric account. Limit five (5) power strips per electric account. Costs of these programs may be recovered through customer rates in accordance with New Jersey law. For a complete list of commercial, industrial, residential and low-income energy efficiency programs, please visit energysaveNJ.com.

By participating in the Company's energy efficiency and peak demand reduction programs, customers agree their electric utility will maintain ownership of all Capacity Rights from electric savings measures, which refers to the demand reduction associated with any energy efficiency or peak demand reduction measures for which incentives were provided by the Company.
