

There are three easy ways to make a donation to the Dollar Energy Fund:

1. If you would like to pledge a certain amount per month, just fill out the form below and return it with your electric bill. Your donation will be automatically added to your monthly bill as a separate line item.
2. If you would like to pledge funds electronically, you can make a direct contribution to Dollar Energy Fund at dollarenergy.org/donate.
3. If you prefer to mail a one-time donation, please send your check to:
Dollar Energy Fund, Inc.
P. O. Box 42329
Pittsburgh, PA 15203-0329

Winter is a difficult time of year for families who have trouble paying their heating bills. Some families have to choose between heating their homes and other vital necessities. That's why Potomac Edison is working to help those who are less fortunate this winter season. Please consider making a pledge to the Dollar Energy Fund.

What is the Dollar Energy Fund?

The West Virginia Utility Assistance Program is an initiative by the Dollar Energy Fund to provide comprehensive utility assistance to low-income individuals, senior citizens and families through a statewide network of community-based organizations.

The Dollar Energy Fund is an independent, nonprofit organization whose mission is to help families pay their utility bills. Families must meet income eligibility guidelines, and they must have made a sincere effort to make a utility bill payment in the last 90 days.

Give 'til it helps

Pledge \$1 or more each month to the Dollar Energy Fund and Potomac Edison will match your pledge, dollar-for-dollar, doubling your gift and its impact.

Your contribution is tax-deductible, and every dollar contributed to the Dollar Energy Fund goes directly to the people who need it to pay utility bills.

Potomac Edison will match customer pledges – up to established guidelines – for customers in the areas we serve.

How can I give?

To make your pledge, simply fill out the form on the back and return it with your next bill payment. Each month, we'll add your pledge to your electric bill.

You can cancel your contribution at any time by submitting your request through our website at firstenergycorp.com/corporate/contact_us or by calling Potomac Edison at **800-686-0011**.

What if I need assistance?

If you or someone you know is in need of assistance to help pay a utility bill, visit firstenergycorp.com/billassist and click on “**Search Assistance Programs.**” This page will populate information about various programs that you may be eligible for based on where you live, the number of people in your household and your income.
