

REBATES UP TO
\$7,500
on Energy-Saving
Home Improvements!

With the Home Performance with ENERGY STAR® program, a Home Energy Expert will conduct a comprehensive audit of your home for just \$100. Qualify for rebates up to \$7,500 on eligible home improvements, including:

- Insulation
- Windows
- Air & duct sealing
- HVAC equipment upgrades

You may also qualify for low-interest financing for recommended energy-efficient home improvements.

**Visit energysaveMD-home.com
to find a participating contractor.**

Schedule a Quick Home Energy Checkup and Save!

In less than one hour, a Home Energy Expert will evaluate your home's energy efficiency and recommend improvements that can save you money.

Plus, have up to \$200 in energy-saving products installed at no cost to you.

- Up to 14 LED bulbs
- Water-saving showerheads
- Efficient faucet aerators
- Electric water heater pipe insulation
- Advanced power strips

Financing available through:

EmPOWER Maryland programs are funded by a charge on your energy bill. EmPOWER programs can help you reduce your energy consumption and save you money. To learn more about EmPOWER and how you can participate, go to energysaveMD.com. By participating in energy efficiency and peak demand reduction programs, customers agree to allow their utility to retain ownership of all Capacity Rights which refers to the demand reduction associated with any energy efficiency or peak demand reduction measure for which incentives were provided by the Company. Potomac Edison, their parents, subsidiaries, employees, affiliates and agents assume no responsibility for the performance of the equipment or equipment warranty, the quality of the work, labor and/or materials supplied, and/or the acts or omissions of any contractor. To be eligible for water heater insulation, must be an electric water heater without previously installed pipe insulation. Rebate amount is based on the predicted energy savings for selected energy efficiency home improvements (maximum of \$7,500 per home).
