

# Want to Save on Energy Bills?

Schedule a home energy audit with the Home Performance Program. You'll see how to save all year round and get up to **\$10,000** in home improvement rebates.

Schedule an audit with a  
Home Energy Expert

Receive a detailed report with  
energy-efficient recommendations

Make improvements to get  
up to a \$10,000 rebate

**Don't miss out! Rebate offer ends Dec. 31, 2026.**

To get started, find a participating contractor at **[energysaveMD-home.com](https://energysaveMD-home.com)**.

# Get \$200 in Energy-Saving Products for \$0

With a **Quick Home Energy Checkup**, a Home Energy Expert will recommend simple ways to save. Plus, you'll receive up to \$200 in energy-saving products installed in your home at no cost, including:

- LED light bulbs
- Advanced power strips
- Faucet aerators and water-saving showerheads
- Electric water heater pipe insulation

Visit [energysaveMD-home.com](http://energysaveMD-home.com) to learn more.

Home Performance with ENERGY STAR rebate amount is based on the predicted energy savings for a selected energy efficiency home improvement (maximum \$10,000 per home). To be eligible for water heater insulation, must be an electric water heater without previously installed pipe insulation. EmPOWER Maryland programs are funded by a charge on your energy bill. EmPOWER programs can help you reduce your energy consumption and save you money. To learn more about EmPOWER and how you can participate, go to [energysaveMD-home.com](http://energysaveMD-home.com). Potomac Edison, their parents, subsidiaries, employees, affiliates and agents assume no responsibility for the performance of the equipment or equipment warranty, the quality of the work, labor and/or materials supplied, and/or the acts or omissions of any contractor.
