

\$1,500 Discount on ENERGY STAR® Certified Heat Pump Water Heaters!

Why Switch?

Your home's water heater uses more energy than your refrigerator, washer, dishwasher and dryer combined! An ENERGY STAR certified heat pump water heater:

- Uses 70% less electricity than standard electric models
- Saves an average of \$550 per year in electricity costs*
- Is eligible for a federal tax credit of 30% of installation costs up to \$2,000

Find a participating contractor at
energysaveMD-home.com

*energystar.gov (\$550 savings is based on a household of four)
Offer valid through December 31, 2026. Additional terms and conditions apply. See energysaveMD-home.com for details.
