

Winter-Proof Your Home – with Energy Savings That Last

There are energy-saving opportunities in every home—and we can help you find them. By scheduling a no-cost Home Energy Audit with one of our expert Energy Auditors, you'll receive:

- Up to \$300 in energy-saving products with no-cost installation
- Safety checks and a custom report detailing potential energy savings
- Rebate recommendations that could save you up to an additional \$500

No-Cost Home Energy Audit for Renters

FirstEnergy Pennsylvania offers renters who live in apartment units a no-cost Home Energy Audit to improve comfort and save energy.

In partnership with your landlord or property owner, you may also qualify for no-cost energy-saving upgrades. These include:

- ENERGY STAR® certified light bulbs
- Smart power strips
- Showerheads, faucet aerators and more

We can help you get your landlord's approval. If you are a property owner, we can provide energy-saving services for your whole property.

The costs of energy efficiency programs are recovered through customer rates in accordance with PA Act 129 of 2008. For a complete list of commercial, industrial, residential and low-income energy efficiency programs, please visit energysavePA.com. By participating in energy efficiency and peak demand reduction programs, customers agree to allow their utility to retain ownership of all Capacity Rights from electric savings measures, which refers to the demand reduction associated with any energy efficiency or peak demand reduction measures for which incentives were provided by the Company. CLEAResult, their parents, subsidiaries, employees, affiliates and agents assume no responsibility for the performance of the equipment or equipment warranty, the quality of the work, labor and/or materials supplied and/or the acts or omissions of any contractor.
