

2026 SUMMER TERMINATION PROGRAM

The Summer Termination Program protects eligible customers from electric service shutoffs during the hot summer months.

From June 15 to August 31, eligible residential customers can receive the following benefits through the Summer Termination Program:

- No service shutoffs for nonpayment
- Service can be restored if disconnected before June 15
- No reconnection fee or security deposit to restore service
- Deferred payment arrangement

For more information about the Summer Termination Program and eligibility requirements, visit **firstenergycorp.com/billassist** or scan the QR Code.
