Financing available through:

Get \$200 in Energy-Saving Products for \$0

Save energy and money with a **Quick Home Energy Checkup**. A Home Energy Expert will show you simple ways to reduce your energy use and you'll get up to \$200 in energy-saving products installed at no cost, including:

- LED light bulbs
- Advanced power strips
- Faucet aerators and water-saving showerheads
- Electric water heater pipe insulation

Visit energysaveMD-home.com/QHEC to learn more.

Home Performance with ENERGY STAR rebate amount is based on the predicted energy savings for a selected energy efficiency home improvement (maximum \$10,000 per home). To be eligible for water heater insulation, must be an electric water heater without previously installed pipe insulation. EmPOWER Maryland programs are funded by a charge on your energy bill. EmPOWER programs can help you reduce your energy consumption and save you money. To learn more about EmPOWER and how you can participate, go to energysaveMD-home.com. Potomac Edison, their parents, subsidiaries, employees, affiliates and agents assume no responsibility for the performance of the equipment or equipment warranty, the quality of the work, labor and/or materials supplied, and/or the acts or omissions of any contractor.
