SECURITY LIGHTING is a highly effective way to protect you and your property. A high-quality floodlight with a motion sensor or a dusk-to-dawn light can discourage vandals and intruders while helping to keep you safe with well-lit pathways after dark. Proper outdoor lighting placement is the first step to added safety and security. Let a professional help you select the best security lighting system for your property.

Call us to have a professional install lighting for as low as \$15 a month.

- Energy-efficient, LED lights
- Dusk-to-dawn/motion-activated sensors
- High-quality, name-brand fixtures

These programs can be withdrawn anytime without prior notice. FirstEnergy coordinates all service with its network of recommended, registered independent contractors, providing contract and other administrative support services. FirstEnergy is not a registered contractor and does not perform the service. All services are performed by an independent contractor. A postcard containing the recommended contractor's name and registration number will be provided to the customer at the time that a request for an estimate is made. FirstEnergy Corp. or its affiliated companies, including the electric utility that provides your electric distribution service (hereafter referred to, collectively, as "FirstEnergy Companies") do not provide any warranty on the services performed and are not liable for damages or injuries that may arise as a result of the services provided. The customer is not required to purchase the good or service from FirstEnergy Companies, and the good or service may be obtained from other suppliers. A customer's decision to receive or not receive the good or service from FirstEnergy Companies will not influence the delivery of competitive or non-competitive retail electric service to that customer by the FirstEnergy Companies.
