

With the WARM Program:

Participating customers receive an in-home evaluation and work with a trained energy educator to create an energy-savings plan. Some of the energy-saving home improvements you could receive are:

- Attic and/or wall insulation
- Replacement of inefficient electric water heaters
- Caulking and weather-stripping
- Replacement of inefficient refrigerators/freezers
- Energy-saving light bulbs
- Replacement of inefficient air conditioners

Are You Eligible?

The program is available to limited-income homeowners and renters – with landlord approval – who use an average of at least 375 kilowatt-hours of electricity per month. Your average use can be found under the Usage History chart on page one of your Met-Ed electric bill.

Your Household Size	Maximum Yearly Household Income Before Taxes
1	\$24,120
2	\$32,480
3	\$40,840
4	\$49,200
5	\$57,560
6	\$65,920
7	\$74,280
8	\$82,640

For each additional person, add \$8,360
