candelabra bulb

PL123-11
Vintage Rust or Black,
Clear Hammered Glass
9.5" x 23.75"
2-60 w
medium-base bulb

- Constructed using durable, heavy-gauge materials
- Qualified lighting uses about 75% less energy than standard lighting and lasts up to 10 times longer
- Photo-electric eye turns light on and off automatically
- Coordinating wall mounted fixtures are also available

All postlamps are professionally installed by a local, licensed contractor, and payments start as low as \$25 per month with no money down.* Call us at

These programs can be withdrawn anytime without prior notice. FirstEnergy coordinates all service with its network of recommended, registered independent contractors, providing contract and other administrative support services. FirstEnergy is not a registered contractor and does not perform the service. All services are performed by an independent contractor. A postcard containing the recommended contractor's name and registration number will be provided to the customer at the time that a request for an estimate is made. FirstEnergy Corp. or its affiliated companies, including the electric utility that provides your electric distribution service (hereafter referred to, collectively, as "FirstEnergy Companies") do not provide any warranty on the services performed and are not liable for damages or injuries that may arise as a result of the services provided. The customer is not required to purchase goods or services from the FirstEnergy Companies, and the good or service offered here may be obtained from other suppliers. A customer's decision to receive or not receive the good or service under this program will not influence the delivery of competitive or non-competitive retail electric service to that customer by the FirstEnergy Companies.
