You May Qualify For Double Rebates!

Appliances account for about 12 percent of your home's energy costs. Upgrading to ENERGY STAR®-certified appliances can save you money on energy bills month after month. Rebates on these appliances are **normally \$25, but we're doubling them to \$50** for customers who meet income eligibility guidelines.

QUALIFYING ENERGY STAR-certified PRODUCTS:

Clothes Washers	Use about 35% less energy than standard washers*
Clothes Dryers	Use 20% less energy than standard dryers*
Refrigerators	Up to \$260 in energy savings over the next five years*
Freezers	Up to \$165 in energy savings over the next five years*
Dehumidifiers	Cut energy costs up to \$100 over the life of the unit*

More Ways to Save

HVAC Rebates **UP TO \$900** LIMITED TIME BONUS REBATES*

Did you know? As much as half of the energy used in your home goes to heating and cooling. That means making smart decisions about your home's heating, ventilating and air conditioning (HVAC) system can have a big effect on your utility bills.

\$450 Heat Pump Water Heater Rebates LIMITED TIME BONUS REBATES*

Did you know? Compared to a standard electric water heater, ENERGY STAR-certified heat pump water heaters can save a household of four approximately **\$330 per year** on its electric bills and **up to \$3,500 over the unit's lifetime**.
