More Ways to Save

Home Performance with ENERGY STAR®

A certified energy expert will help you discover energy-efficient improvements that may qualify you for up to \$7,500 in rebates.*

Lighting Upgrades

Replace your incandescent bulbs with select LED bulbs and save up to \$130 on your annual lighting costs.**

ENERGY STAR Appliance Upgrades

Enjoy energy savings when you upgrade to qualifying ENERGY STAR-certified appliances and heat pump water heaters.

* Rebate amount is based on the predicted energy savings for selected energy efficiency home improvements (maximum of \$7,500 per home).
