# Your steps to a more comfortable, efficient home.

## Here's what you can expect during your Comprehensive Audit.

Top-to-bottom inspection of your home's energy-efficiency, including a blower door test to find air leaks

Learn where your home may be losing energy and cost-effective ways to help lower your bill

Install up to \$200 in energy-saving products at no cost, such as LED light bulbs, smart power strips and LED nightlights, to start saving right away

Review personalized, comprehensive energy report with a professional

Earn rebates on home improvement projects that can increase your home's energy-efficiency

Simply install equipment that saves a minimum of 350 kilowatt-hours (the equivalent of 11 LED light bulbs) to receive up to a \$250 rebate on the cost of the audit
