

A photograph of two men in a factory or industrial setting. The man on the left is wearing a light blue button-down shirt and dark trousers, holding a tablet. The man on the right is wearing a white button-down shirt and dark trousers, pointing at the tablet. They are standing on a concrete floor with yellow safety lines. In the background, there is industrial machinery and equipment.

SAVE WITH ENERGY EFFICIENCY IMPROVEMENTS!

Potomac Edison's Energy Solutions for Business Program offers a wide range of incentives for custom and prescriptive measures that include both retrofit and new construction energy efficiency facility improvements.

Learn more at EnergySaveMD-Business.com/SAVE.

Contact us at EnergySaveMD@clearResult.com or **855-801-5803**.

The Energy Solutions for Business Program from Potomac Edison gives you everything you need to save energy and boost your bottom line. We'll help you identify ways to save and choose projects that optimize efficiency.

REBATES ARE AVAILABLE FOR:

- Lighting
- Food service equipment
- Appliances
- Combined heat and power
- HVAC
- New construction
- Agricultural equipment
- Consumer electronics

Potomac Edison Energy Efficiency Incentives are now available through December 31, 2020, or until funds are fully committed.

If your upcoming project is not mentioned here, you may still be eligible for rebates through our Custom Equipment Incentives Program.

READY TO SAVE?

Register and apply online at EnergySaveMD-Business.com/SAVE, or contact us at EnergySaveMD@clearResult.com or 855-801-5803.
