Powerful winds from spring and summer storms can wreak havoc on the trees in your yard. It's time to get prepared.

FirstEnergy's Tree Services Program can protect your trees and help you avoid unwanted problems by identifying areas that are susceptible to damage and addressing them.

If your trees do suffer damage, trusted professionals can provide a variety of emergency services, such as removing dangling limbs or the entire tree.

Tree Care Checklist

- ✓ Tree and stump removal
- ✓ Tree pruning
- ✓ Emergency tree care
- ✓ Tree health maintenance

Estimates are FREE and there is no money down for the services. We provide low monthly payments, with zero interest charged by FirstEnergy.*

*For up to 36 months with approved credit. This program can be withdrawn at any time without prior notice. All services are performed by an independent contractor that is neither an affiliate nor agent of FirstEnergy Corp. or its affiliated companies, including the electric utility that provides your electric distribution service (hereafter referred to, collectively, as "FirstEnergy Companies"). The FirstEnergy Companies do not provide any warranty on the services performed and are not liable for damages or injuries that may arise as a result of the services provided. The customer is not required to purchase goods or services from the FirstEnergy Companies, and the good or service offered here may be obtained from other suppliers. A customer's decision to receive or not receive the good or service under this program will not influence the delivery of competitive or non-competitive retail electric service to that customer by the FirstEnergy Companies.
