

# SAVE NOW

## And For Years To Come

With money-saving rebates from FirstEnergy's Pennsylvania utilities, now may be the perfect time to upgrade your heating and cooling system. Talk to a participating HVAC contractor if:

- **Your heat pump or air conditioner is more than 10 years old.** An ENERGY STAR® qualified unit could save you up to 20 percent on heating and cooling costs.
- **Your equipment needs frequent repairs, and your energy bills are going up.**
- **Some rooms in your home are too hot or too cold.**
- **Your home is humid, excessively dusty, or your system is noisy.**
