

# SAVE NOW

## And For Years To Come

Up to  
**\$1,500**  
on qualifying  
energy-efficient  
HVAC equipment

**PotomacEdison**™  
A FirstEnergy Company

**EmPOWER**  
MARYLAND

With rebates from Potomac Edison, now may be the perfect time to upgrade your heating and cooling system. Talk to a participating HVAC contractor if:

**Your heat pump or air conditioner is more than 10 years old.** An ENERGY STAR® certified unit could save you up to 20 percent on heating and cooling costs.\*

**Your equipment needs frequent repairs, and your energy bills are going up.**

**Some rooms in your home are too hot or too cold.**

**Your home is humid, excessively dusty or your system is noisy.**

Visit our website to calculate how much money you could save by upgrading!

**START SAVING TODAY!**

**Energy**saveMD-home.com/OCTOBER or  
**call 1-888-267-4685.**

## HVAC REBATES

**UP TO \$500** on the **installation of a new high-efficiency central air conditioner** — depending on the efficiency rating, earn a rebate of \$300 to \$500.

---

**UP TO \$650** on the purchase of an **air-to-air heat pump**.

---

**UP TO \$400** on **ductless mini-split heat pumps** — an excellent solution for homes without duct work.

---

**\$1,500** on the installation of an ENERGY STAR® certified **geothermal heat pump**.

---

**\$125** on the **installation of a packaged terminal air conditioner or packaged terminal heat pump** - an affordable, reliable and efficient way to heat or cool your home.

---

**\$100** on the purchase of an ENERGY STAR certified **smart thermostat** - smart thermostats must be purchased and installed by a participating contractor in order to be eligible for a rebate.
