GET PROTECTED WITH SURGE ASSIST.

The cost to repair or replace your home's appliances, computers and electronics due to a power surge can be expensive. Surge Assist Protection is an affordable way to help make sure you're covered from the unexpected costs of damage caused by power surges.

Get up to \$4,000 of Surge Assist Protection for only \$6.99/month with no deductible and nothing to install.

- Sign up – by phone, by mail or online
- A \$6.99* charge will appear on your monthly electric bill (with approved credit)
- We'll reimburse you up to \$4,000 annually for repairs on covered claims. If repair is not feasible, we'll pay for a replacement.

*Enrollment eligibility may be contingent on our ability to add the program charge to the monthly electric utility bill. There is an initial 30-day waiting period to make a claim, giving you 11 months of protection during the first year of the program. This prevents service calls on pre-existing conditions and helps keep the program affordable.
