

YOUR POWER IS ABOUT TO GET BRIGHTER

DETAILED USAGE INFORMATION

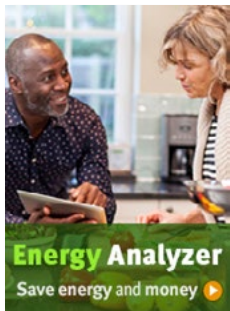

If you have a smart meter, you may now be able to access detailed energy usage information.

Go to www.energysavePA.com and click on “Energy Analyzer” to get started.

Your smart meter provides numerous opportunities for making smart energy choices by allowing you to:

- View your usage information in daily or hourly intervals
- Access customized information about your electricity use
- Get tips for making energy-saving improvements
- Make informed decisions about how to manage your electricity consumption

View “**Analyze Usage**” in the Energy Analyzer tool to access your detailed usage information. If you don’t already have an online account, you’ll need to register. Simply follow the prompts to get started. It’s fast and easy!
