

Did you know that as a homeowner

YOU ARE RESPONSIBLE FOR THE COST

of repairing certain parts of your
home's Exterior Electric System?

Repairs to your weatherhead, insulator, riser, meter base and service entrance conductor can cost hundreds of dollars and are typically not covered by basic homeowners insurance.

HomeServe USA Repair Management Corp. ("HomeServe"), with corporate offices located at 601 Merritt 7, 6th Floor, Norwalk, CT 06851, is an independent company separate from FirstEnergy Corp., its operating companies, subsidiaries and affiliates, including the local electric utility company that provides your electric distribution service (hereafter referred to, collectively, as "FirstEnergy"). HomeServe offers this *optional* service plan as an authorized representative of the contract issuer, National Home Repair Warranty, Inc., 59 Maiden Lane, 43rd Floor, New York, NY 10038. **FirstEnergy does not provide any warranty on the services performed and is not liable for damages or injuries that may arise as a result of the services performed.** Your choice of whether to participate in this service plan will not affect the price, availability or terms of service from FirstEnergy.
