

Attention Customers: Vegetation Management Work

In accordance with Sections 14:5-9.7 and 14:5-9.10 of the New Jersey Administrative Code, this notice is to advise you of planned vegetation management activity on transmission rights-of-way in your area. If there is work to be performed on your property, a representative authorized by Jersey Central Power & Light will notify you of the necessary work.

Our qualified tree contractor(s) will be sent out to maintain the vegetation. This work is necessary to enhance reliable electric service. All of our methods and applications are approved, consistent with industry standards, environmentally sound, and performed in accordance with the New Jersey Board of Public Utilities' regulations.
