Electrical Services

Highly trained independent licensed professional contractors can offer expertise in most types of electrical work to help keep your home and family safe.

- Update fuse panel to circuit breaker
- Upgrade to a 200 amp panel
- Convert overhead service wires to underground
- Power to garages, sheds and outbuildings
- Whole house and portable generator installations
- Wiring work, plug and switch installation

Affordable Payment Plans

Add the charges to your monthly electric bill for up to 36 months, with approved credit and contingent on our ability to add the program charge to your monthly electric utility bill. Plus, you can rest easy knowing there are no down payments or hidden fees. It's our way of assuring you that there will be no surprises on the day of service.

Help protect you and your family by reducing the risk of faulty wiring.
