Take advantage of appliance rebates up to \$75!

Appliances account for about 12% of your home's energy costs.* So upgrading to ENERGY STAR® certified appliances can save you money on energy bills for years to come. Plus you can save even more with **rebates up to \$75**.

Customers who meet income eligibility guidelines can get enhanced rebates on qualified ENERGY STAR certified appliances.

Products must be purchased between June 1, 2016, and May 31, 2021, to be eligible for incentives. Other terms and conditions apply. See rebate form for details. The costs of energy efficiency programs are recovered through customer rates in accordance with PA Act 129 of 2008. For a complete list of commercial, industrial, residential and low-income energy efficiency programs, please visit energysavePA.com.
