

Act Now For Earth Day

Energy savings help make every day Earth Day.

Start Spring off right with energy savings. Improve the efficiency of your home with a Quick Home Energy Checkup. In less than an hour, an auditor* will evaluate your home's energy efficiency and make recommendations for improvements to help you save energy and money.

*Participating contractors will follow health and safety guidelines when visiting your home or business.

Find a participating Home Energy Expert today at
[EnergySaveMD-home.com/APR2021](https://www.energy-save.md/home.com/APR2021) or 888-267-4685.

More Spring Savings

Find ways to improve comfort and lower energy costs with a Home Performance with ENERGY STAR® audit for just \$100 (a \$400 value). This program will help you identify energy efficiency improvements that may qualify you for 75% of the costs — up to \$7,500** — to cover energy-saving home improvements, including: air sealing, duct sealing, insulation, and HVAC equipment upgrades.

Make an appointment today at [EnergysaveMD-home.com/APR2021](https://energysaveMD-home.com/APR2021) or 888-267-4685.

Eligible Maryland residents can qualify for home improvement financing up to \$30,000 at a rate of 4.99% through the BeSMART Home Energy Loan Program.***

DEPARTMENT OF HOUSING
AND COMMUNITY DEVELOPMENT

**Rebate amount is based on the predicted energy savings for selected energy efficiency home improvements (maximum of \$7,500 per home).

***Mobile homes qualify for this program. To Apply for a BeSMART Home Loan visit dhcd.maryland.gov/energy.

Potomac Edison, their parents, subsidiaries, employees, affiliates and agents assume no responsibility for the performance of the equipment or equipment warranty, the quality of the work, labor and/or materials supplied, and/or the acts or omissions of any contractor.

EmPOWER Maryland programs are funded by a charge on your energy bill. EmPOWER programs can help you reduce your energy consumption and save you money. To learn more about EmPOWER and how you can participate, go to energysaveMD.com.

By participating in energy efficiency and peak demand reduction programs, customers agree to allow their utility to retain ownership of all Capacity Rights which refers to the demand reduction associated with any energy efficiency or peak demand reduction measures for which incentives were provided by the Company.
