

# Fall into Savings

Now's the time to get your home ready for fall with a Quick Home Energy Checkup. In less than an hour, an energy expert\* will evaluate your home's energy efficiency and install energy-saving products such as LED light bulbs, faucet aerators, water-saving showerheads and more. You'll also receive recommendations for improvements to help you save energy and money.

**Contact a Home Energy Expert today.**

\*Potomac Edison, their parents, subsidiaries, employees, affiliates and agents assume no responsibility for the performance of the equipment or equipment warranty, the quality of the work, labor and/or materials supplied, and/or the acts or omissions of any contractor.

# What's costing you energy?

## FIND OUT NOW.

If you want a more in-depth home energy review, check out the Home Performance with ENERGY STAR® program. For just \$100 (a \$400 value), you'll receive a comprehensive energy audit

of your home. This program will help you identify energy efficiency improvements that may qualify you for 75% of the costs — or up to \$7,500\*\* — to cover energy-saving home improvements, including air sealing, duct sealing, insulation and HVAC equipment upgrades.

### Need help with financing energy-efficient updates?

Eligible Maryland residents can qualify for home improvement financing up to \$30,000 at a rate of 4.99% through the BeSMART Home Energy Loan Program. Visit [dhcd.maryland.gov/energy](http://dhcd.maryland.gov/energy) for more information.

**Schedule your Home Performance Audit today.**
