Make Yourself Comfortable with Our New Marketplace

Take your home's connectivity to the next level with an ENERGY STAR® certified smart thermostat—now available with a \$100 instant rebate on our new marketplace.

What Smart Thermostats Offer:

- The convenience of temperature preferences and programmable settings all from your smart phone
- Control over your home's heating and cooling needs with Wi-Fi enabled features
- Insights into your home's energy usage with data you can track and manage

Costs of these programs may be recovered through customer rates in accordance with New Jersey law. For a complete list of commercial, industrial, residential and low-income energy efficiency programs, please visit energysaveNJ.com.

By participating in energy efficiency and peak demand reduction programs, customers agree their electric utility will maintain ownership of all Capacity Rights from electric savings measures, which refers to the demand reduction associated with any energy efficiency or peak demand reduction measures for which incentives were provided by the Company.
