Participating retailers for the Heat Pump Water Heater instant discount are The Home Depot and Lowe's in the Potomac Edison service territory. Enhanced rebates for qualified water heater purchases which began 09/15/21 are now extended through March 2022.

Discounts on energy efficient products and services are available to Maryland residential customers of Potomac Edison on qualified purchases between January 1, 2021, and December 31, 2023. To be eligible for water heater insulation, must be an electric water heater without previously installed pipe insulation. Potomac Edison, its parents, subsidiaries, employees, affiliates and agents assume no responsibility for the performance of the equipment or equipment warranty, the quality of work, labor and/or materials supplied, and/or the actors or omissions of any contractor. EmPOWER Maryland programs are funded by a charge on your energy bill. EmPOWER programs can help you reduce your energy consumption and save you money. To learn more about EmPOWER and how you can participate, go to energysaveMD.com. By participating in energy efficiency and peak demand reduction programs, customers agree to allow their utility to retain ownership of all Capacity Rights which refers to the demand reduction associated with any energy efficiency or peak demand reduction measures for which incentives were provided by the Company.
