

Ready to Save Energy in Your Home?

JCP&L's Quick Home Energy Check-up Program is a no-cost, in-home assessment program where a certified energy advisor will install energy-efficient upgrades that can save you money year round, all at no cost to you.

Upgrades may include:

- ENERGY STAR® certified LED bulbs
- Faucet aerators
- Water heater pipe insulation
- Smart power strips
- Efficient-flow showerheads
- Home Energy Assessment report

For more information or to schedule your assessment, visit energysaveNJ.com/QHEC or call **800-915-8309**.

Costs of these programs may be recovered through customer rates in accordance with New Jersey law. For a complete list of commercial, industrial, residential, and low-income energy efficiency programs, please visit energysaveNJ.com.

By participating in the Company's energy efficiency and peak demand reduction programs, customers agree their electric utility will maintain ownership of all Capacity Rights from electric savings measures, which refers to the demand reduction associated with any energy efficiency or peak demand reduction measures for which incentives were provided by the Company.
