Powerful winds from storms can wreak havoc on the trees in your yard. It's time to get prepared.

FirstEnergy's Tree Services Program can help you protect your trees and avoid unwanted problems. Trusted independent insured professional contractors work to identify areas that are susceptible to damage and address them before problems arise.

If your trees do suffer damage, professional contractors can provide a variety of emergency services, such as removing dangling limbs or the entire tree.

Tree Care Checklist

- ✓ Tree and stump removal
- ✓ Tree pruning and trimming
- ✓ Emergency tree services
- ✓ Tree health maintenance

Estimates are FREE and rather than paying the charges all at once, our affordable payment plans give you up to 36 months to pay, with approved credit and contingent upon our ability to add the program charge to your monthly electric utility bill. Plus you can rest easy knowing there are no down payments or hidden fees.
