

## With winter upon us, now is a great time to improve the comfort of your home.

Schedule a Home Performance with ENERGY STAR home energy audit with a participating contractor. A participating contractor will:

- Perform a comprehensive Home Energy Audit.
- Recommend improvements to help you save energy and money in your home. Financing opportunities also available.
- Provide a detailed report on potential energy savings.

For more information and to see a list of participating contractors, visit [energysaveNJ.com/home-performance](https://energysaveNJ.com/home-performance) or call **855-449-3090**

Costs of these programs may be recovered through customer rates in accordance with New Jersey law. For a complete list of commercial, industrial, residential, and low-income energy efficiency programs, please visit [energysaveNJ.com](https://energysaveNJ.com). By participating in the Company's energy efficiency and peak demand reduction programs, customers agree their electric utility will maintain ownership of all Capacity Rights from electric savings measures, which refers to the demand reduction associated with any energy efficiency or peak demand reduction measures for which incentives were provided by the Company.
