

ADDITIONAL SERVICES

211

New Jersey 211 offers a variety of services that help connect residents to resources in their community. The service is free, confidential and multilingual. For information, dial 211; text your ZIP code to 898-211; or chat online at NJ211.org.

Equal Payment Plan (EPP)

Jersey Central Power & Light's residential customers who are looking for a convenient way to manage their electric bills can sign up for the FirstEnergy Equal Payment Plan (EPP).

With EPP customers pay a predetermined monthly rate, which may help avoid seasonal highs and lows in their electric bills. Each month, EPP customers are billed one twelfth of their estimated annual electric usage.

Before the eighth bill, the payment amount is reviewed and, if necessary, adjusted in relation to the customer's usage. The twelfth month is used as a balancing, or true-up, month.

That month's bill will reflect the debit or credit balance for the EPP year. There is no additional charge to participate in the EPP. To apply, please call us at **800-662-3115**, or visit firstenergycorp.com/paymentoptions to complete an application.

Customers 65 Years of Age and Older

A service has been established for customers 65 years or older who become delinquent in paying their bills. These customers are mailed a notice indicating that their electric service is subject to termination if payment is not received by a specified date. We will attempt to contact the customer by telephone before service is terminated at the residence.

Third-Party Notification

When a residential customer is mailed a delinquent notice that could result in termination of electric service, we also will mail a similar notice to a designated third party. This notification does not obligate the third party to pay, but enables that person to help the customer if necessary. Customers may request someone to be a third party, or a person may request to become a third party for a JCP&L customer.

For more information about these programs or to discuss billing and payment options, contact our Customer Service Center at **800-662-3115** or visit firstenergycorp.com/paymentoptions.

ENERGY ASSISTANCE PROGRAMS

Lifeline Program

The Lifeline program offers a cash grant to help people who meet the Pharmaceutical Assistance to the Aged and Disabled (PAAD) eligibility requirements or who receive Supplemental Security Income (SSI).

This includes utility customers and tenants whose utility bills are included in their rent. Persons applying for PAAD will also apply for their Lifeline benefit by answering the questions that pertain to the Lifeline programs. The Lifeline benefit is automatically included in the SSI checks. If you are not a beneficiary Medical Assistance to the Aged (MAA), Medical Assistance Only (MAO) or New Jersey Care, but you meet the eligibility requirements for PAAD, please call **800-792-9745** for an application, or visit state.nj.us/humanservices/doas/home/lifinedetail.html for more information.

Universal Service Fund Program (USF) and Low-Income Home Energy Assistance Program (LIHEAP)

USF helps make energy bills more affordable by offering eligible customers a monthly bill credit. This credit is based on household income and energy burden. USF may also offers utility account debt forgiveness for participants enrolling through September 2023. LIHEAP (HEAP) helps customers with their heating and cooling bills. LIHEAP is available through June 30. Emergency Assistance, which helps pay a termination notice, begins March 15. Individuals applying for the Low-Income Home Energy Assistance Program (LIHEAP), apply for USF automatically. To apply for USF and LIHEAP online, to print an application, or to find an application agency in your county, visit energyassistance.nj.gov. For more information call 800-510-3102 or visit nj.gov/dca/dcaid.

To be eligible, you must meet all of the following requirements:

1. Applicant/ratepayer must reside at the service address
2. Household income must be verified at or below 400% of the Federal Poverty Guidelines

Weatherization

Weatherization is the installation of home energy measures to help reduce energy bills. Eligible participants are provided with:

- A free home-energy audit to see how energy efficient a home is and how much money can be saved on energy bills through weatherization
- Installation of recommended free energy-efficiency measures, which may include energy-efficient appliance replacement at no cost

There are two free weatherization programs in New Jersey:

1. Comfort Partners – Call **800-915-8309** or visit njcleanenergy.com/cp (electric and gas heat only). This program is sponsored by the Board of Public Utilities' NJ Clean Energy Program.
2. Weatherization Assistance Program – Households that apply for USF or LIHEAP can check a box on that application to request weatherization. For more information visit energyassistance.nj.gov. This program is sponsored by the Department of Community Affairs.

Payment Assistance for Gas and Electric (PAGE)

This program benefits New Jersey residents who have a gas or electric account that is past due, have received a disconnection notice, or have already been disconnected. There is no minimum payment required. Applicants must have a minimum past due balance of \$100. Customers who are eligible for USF or HEA or also encouraged to apply. For more information, visit NJPowerOn.org, or call **732-982-8710**.

New Jersey SHARES Program

New Jersey SHARES offers temporary financial assistance to people having difficulty paying their electric bills. The fund helps those who need assistance because of an illness, job loss or other problem that has created a financial crisis – but they are not eligible for other income- or age-based programs.

For information on how to receive assistance from New Jersey SHARES, call **866-657-4273**, or visit apply.njsharesgreen.org.
