The Lifeline program offers a cash grant to help people who meet the Pharmaceutical Assistance to the Aged and Disabled (PAAD) eligibility requirements or who receive Supplemental Security Income (SSI).

This includes utility customers and tenants whose utility bills are included in their rent. Persons applying for PAAD will also apply for their Lifeline benefit by answering the questions that pertain to the Lifeline programs. The Lifeline benefit is automatically included in the SSI checks. If you are not a beneficiary Medical Assistance to the Aged (MAA), Medical Assistance Only (MAO) or New Jersey Care, but you meet the eligibility requirements for PAAD, please call 800-792-9745 for an application, or visit state.nj.us/humanservices/doas/home/lifelinedetail.html for more information.

USF may also offer utility account debt forgiveness for participants enrolling through September 2023. LIHEAP (HEAP) helps customers with their heating and cooling bills. LIHEAP is available through June 30. Emergency Assistance, which helps pay a termination notice, begins March 15. Individuals applying for the Low-Income Home Energy Assistance Program (LIHEAP), apply for USF automatically.
